

## Cochrane Colloquium

Don't forget that the 20th Cochrane Collaboration Colloquium will be held in Auckland from 30 September to 3 October 2012. Planning is now well underway and an exciting scientific programme is being developed. Also, a varied social schedule will give individuals an opportunity to enjoy the sights and culture of the lovely city of Auckland. Please visit the link below to find out more.

## Cochrane Nursing Care Field AGM

The Cochrane Nursing Care Field (CNCF) will be holding its Annual General meeting at the Colloquium on Tuesday 2<sup>nd</sup> October from 15:30-17:00 with the location still to be determined. Please come along and support the CNCF.

## Evidence Base Health Care Workshop

For our European Members an exciting initiative is being conducted by Dr Preben Pedersen in Brussels.

10 years EBP in

## CNCF Summaries Published

There have been a number of Summaries published and the three below appeared in the IJEBHC recently.

### Dawn Kozlowski

Physical interventions to interrupt or reduce the spread of respiratory viruses

### Daria Napierkowski

Acupuncture and related interventions for smoking cessation

# N E W S L E T T E R

**Lorraine Steefel and Yuri Tertilus Jadotte**

Exercise therapy for the treatment of non-specific low back pain

## Clinical Trials Register

We would also like to welcome the CNCFs new Clinical Trials Register Coordinator, Dr Lesley Long. Dr Long has a long and distinguished career in Nursing and her efforts were rewarded with a Member of the Order of Australia Medal (AM) for service to medical administration, particularly in the area of nursing, to the education of nurses, and to clinical service planning. She will be a fantastic addition to the CNCFs vision going forward.

## General

If you are a contributor to the Cochrane Collaboration the following website will provide access to a range of resources
