Leadership Meeting Held

The first meeting via teleconference was held this week with our 'new look' leadership group. The meeting went well with the main focus on defining the scope of each of the 6 groups for the year ahead. The group coordinators are as follows:

- Nursing Care Cochrane Review Group (CRG) Liaison Group (Prof Susan Salmond)
- Nursing Care Clinical Trials Database Group (Prof Lesley Long AM)
- Nursing Care Language Group (previously referred to as the Non-English Language Group) (Dr Cindy Stern/Dr Karolina Lisy)

More details about each group will be provided over the upcoming months.
