### Upcoming Colloquium!

The time has finally arrived - next week Quebec will host the 21<sup>st</sup> Cochrane Colloquium on the 19<sup>th</sup> – 23<sup>rd</sup> September. To date over 1100 registrants from 48 countries will be attending. A reminder that the Nursing Care Field will be involved in a number of events including:

- The CNCF Annual General Meeting (open meeting) - Friday the 20<sup>th</sup> September at 17.15pm (Location Hamilton 301 B)
- The Field will be represented at the Meet the Entities session on Friday the 20<sup>th</sup> September
- The CNCF will be co-presenting an oral presentation on 'Issues in developing and disseminating summaries of Cochrane reviews for specific external audiences' on Friday 20<sup>th</sup> September
- The Field will also be represented through multiple poster presentations throughout the Colloquium

We hope to see many of you there to show your support.

### Trials Register Up!

We are pleased to announce the CNCF's Trials Register is now available on the website at <http://cncf.cochrane.org/cncf-trials-register-2013> The Register contains Randomised Controlled Trials and other relevant trial reports within the scope of nursing. The aim is to make the Trials Register available to the wider nursing community to inform nursing practice and for researchers to identify gaps in nursing knowledge. Please take a moment to check it out.

### Editorial Opportunities

We still have the following opportunities available for members to develop a short (500 word) editorial to help celebrate the 20<sup>th</sup> Anniversary of the Cochrane Collaboration for the following Journals:

- Journal of Stomal Therapy Australia - Due to the CNCF 1st October
- HOITOTIEDE Journal of Nursing Science, Finland - Due to the CNCF 30th September

- Learning Disability Practice  
– Due to the CNCF 30th  
September

If you would like be involved in any of the above please contact [cncn@adelaide.edu.au](mailto:cncn@adelaide.edu.au)
