Many thanks to all the authors for their hard work.

New Collaborations

The Journal of Nursing Administration has recently reached an agreement with us to publish our nursing care corner columns. Five topics have already been selected by the journal and volunteers have been allocated. Summaries will be seen in the Journal from February next year.

The Nursing Network News (Breast Cancer Care) has also come on board to our Evidence Transfer Program Initiative and will be publishing our columns beginning in late 2010.

New Podcasts

We have two new CNCF podcasts up on the website. The first is based on a Nursing Care Corner Column about individual patient education for people with type 2 diabetes mellitus. The second is about our European Languages Node. Check them out at <http://cncf.cochrane.org/evidence-transfer-program-podcasts>

Survey Reminder – Fundamentals of Care

An email invite was sent out to all CNCF members to participate in a short (less than 5 minutes) survey regarding your understanding of fundamentals of care. If you haven't had a chance to participate yet please do so or for those of you who are reading this newsletter who aren't CNCF members we also encourage you to participate at:
